

JUNIOR DESIGNER

Los Angeles, CA

Michel Architects is a Los Angeles-based design practice dedicated to crafting modern residences that seamlessly integrate refined aesthetics, functional living, and a deep connection to the natural environment. Led by Rob Michel, the firm is defined by its thoughtful approach to design, emphasizing timeless simplicity, material integrity, and a seamless relationship between architecture and landscape.

In the wake of the devastating Los Angeles fires, Michel Architects is staffing up to accommodate the overwhelming need for support in rebuilding and restoring beloved homes and communities. The homes lost were more than just buildings; they were sanctuaries of love, ambition, and cherished memories, and great care should be taken to rebuild safely, sustainably, and in a manner that feels deeply personal to their families.

This is a hands-on opportunity with a young and fast-growing firm where you'll be working closely with both the Principal and Associate across a slate of residential projects, where we holistically combine architecture, landscape, and interiors. The ideal candidate will have initiative, a willingness to learn, and a keen eye for design and detail. This is a full-time position in our Topanga Canyon office, with the potential for hybrid remote work in the future.

The salary range for this position is \$65,000 - \$75,000, depending on skills and experience.

Qualifications

- Strong design ability and taste as demonstrated in portfolio or work samples
- Demonstrated experience and proficiency in Revit
- Ability to leverage platforms such as Adobe Suite, SketchUp, Rhino, Lumion, and AutoCAD—and broad spectrum design sensibility to use these softwares to develop innovative and visually compelling design solutions that showcase a strong creative vision
- Either an architectural degree from an accredited college or equivalent work experience

Both new graduates and designers with prior work experience are welcome to apply. We care more about your design sensibility and capability than your resume.

To apply, send a cover letter, resume, and work or academic portfolio samples in PDF format to office@michelarchitects.com under subject line Junior Designer Application - [Your Name]. No calls, please.
