

Job Title: Architectural Staff Level II (Non-Licensed)

Firm Name: Houston/Tyner, A Professional Architectural Corporation

Position Location: Torrance, California

Firm Profile: Houston/Tyner is a full-service architectural firm focusing on hospitality, commercial, institutional and entertainment venues. Our goal is to explore new and exciting projects that challenge the boundaries of architecture. Our unique studio office space invites a culture of innovation and ingenuity. As our portfolio expands, so does our need for dynamic and talented individuals who share our passion for design and architecture.

Salary Range: Negotiable, depending on skill set and experience. We offer full time positions and have a comprehensive health insurance program, 401k and profit-sharing benefits, vacation time, sick time, and holidays.

Job Description and Requirements: Typically, 6 or more years of professional experience. Responsible for specific technical design aspects of an assigned project, including investigation, evaluation, and recommendation of design solutions that best meet the client's needs. Provides professional architectural consultation in the planning, design, and coordination of moderate sized projects. Independently applies architectural concepts and designs. Carries out moderately complex or novel assignments requiring the development of new or improved techniques and procedures. May provide technical guidance to less experienced architectural staff. Demonstrates moderate understanding of the California Building Code, Health codes, CalOSHA, and the American with Disabilities Act. Proficient in AutoCAD, Bluebeam Revu, SketchUp, Microsoft Office, and Adobe Creative Cloud Suite programs, etc.
