

Job Title: Architectural Staff Level III (Non-Licensed)

Firm Name: Houston/Tyner, A Professional Architectural Corporation

Position Location: Torrance, California

Firm Profile: Houston/Tyner is a full-service architectural firm focusing on hospitality, commercial, institutional and entertainment venues. Our goal is to explore new and exciting projects that challenge the boundaries of architecture. Our unique studio office space invites a culture of innovation and ingenuity. As our portfolio expands, so does our need for dynamic and talented individuals who share our passion for design and architecture.

Salary Range: Negotiable, depending on skill set and experience. We offer full time positions and have a comprehensive health insurance program, 401k and profit-sharing benefits, vacation time, sick time, and holidays.

Job Description and Requirements: Typically, 8 or more years of professional experience. Participation starts in conceptual design and provides full support throughout the entire project. Works with project managers, other architects, and consultants. Develops and represents lead technical viewpoint on projects. Coordinates with the Project Architect/Project Manager on appropriate technical solutions and project strategies. Demonstrates full understanding of the California Building Code, Health codes, CalOSHA, and the American with Disabilities Act. Proficient in AutoCAD, Bluebeam Revu, SketchUp, Microsoft Office, and Adobe Creative Cloud Suite programs, etc.
